

Dear Residents and Families,

Here are your updates for Friday, July 10, 2020.

Despite the escalating cases of Covid-19 in our area and all around the country, it has been a relatively quiet week here at Redstone. We are so grateful for that.

Our Veranda Independent Living (IL) residents began receiving visitors in their apartments this week. So far this has been going smoothly and we thank all those of you who are carefully upholding the visitor policies. Please continue to make sure that ALL visitors enter and exit through the central front doors for screening. Copies of the IL visitor policy are available on our website at:

<http://redstonehighlands.org/COVID-19/IL%20visitor%20policy%207%207%202020.pdf>.

Our team has worked very hard this week with finalizing plans for making visits between family members and our Personal Care (Courtyard, Garden, and Terrace) residents and our Skilled Nursing and Rehab (Harbor) residents. The state guidelines and requirements for visits in these levels of care are very specific. Therefore, in order to make sure that our plans are completely in order, our first day for visitors will be on Monday, July 20, 2020. Next Monday, the 13th, we will make full details of this visitor program available to our residents and families. We will email the guidelines, post them on our website, and mail them to families with residents in these levels of care. Visits will need to be scheduled, and you will be provided with a web link to self-schedule your visit. All of these details will be provided next Monday.

Please keep in mind that at all levels of care, visitor policies may change on a daily basis based on state guidelines or a positive case in a Redstone community. Changes to visitor policies will be updated on our website every day. We encourage you to visit there frequently:

Have a safe and healthy weekend. Wear your masks, avoid crowded spaces, and wash your hands. It feels like we've been saying that for a long time, but it is still the best advice that we have.

Sincerely,

*Vicki*
