

Redstone

STOP!

NO VISITORS THROUGHOUT BUILDING!

Until Further Notice

By order of the CDC and the Federal Government there is a state of emergency that calls for NO VISITING in SENIOR LIVING COMMUNITIES. For the wellbeing of your loved ones, we are abiding by this NO VISITOR policy.

Should you have a family member who is near end of life, please call your Campus Director about possible accommodations.

Packages may be dropped off at the front desk Mondays through Fridays between 2 pm and 7 pm.

All those who do enter into the lobby of our campus will be required to complete and pass a brief screening process and questionnaire. Everyone must enter through the FRONT DOOR to complete this screening process.

We are fully aware of how painful these policies are for our families, our residents, and even our employees. Please know that our intention is only to protect our beloved residents at this unprecedented time.
