

Dear Residents,

Here is a COVID-19 update for Tuesday, April 28, 2020.

During this pandemic, we continue to admit people into our Courtyard personal care areas. Some of these individuals are Redstone residents moving from another level of care while others are moving in from their home or after a stay in our rehab center.

As a precaution, all new people coming into a Courtyard apartment are being quarantined in that apartment for 14 days. You may notice a sign on their door or staff using protective equipment when providing services. Please do not be worried as this is simply a precautionary measure.

We continue to take measures to keep you and our employees as safe as possible during this time. Thank you for your continued support and encouragement!

Sincerely,

Vicki Loucks, RN, MSN, MBA
