

From little things like help with a stubborn button or remembering to take prescribed medications to maximum assistance with activities of daily living, Redstone Highlands Supportive Care Program can help! Our tiered services enable residents to maintain their independence longer while only paying for the level of service they're using.

Redstone Highlands Supportive Care Program can help! Offering multiple levels of care, Redstone provides seniors the independence they desire and the support they need.

Redstone Courtyard Supportive Care Program

Where you live can make a difference in the quality of your life. That's why more seniors are choosing Redstone Highlands as their home.

Our residents deserve the best and they get it from our people! We are nurses, housekeepers, cooks, maintenance men, certified nurse aides, board members, volunteers and executives. We are dedicated to providing the highest quality of service to our residents, take pride in what we do and care about who we do it for! We're here for our residents.

Why do more people choose to live in a Redstone Highlands' community?
