## LUNCH BUNCH

Andrew Blenko will be here with a special presentation: “Walt Disney’s Railroad Story”.

From an early age, Walt Disney was passionate about railroads. Both his father and uncle worked for railroads, so he came by his interest honestly. From his first concept, railroads were to play a major role at Disney Land and later, Walt Disney World. This talk discusses how Walt Disney came to love railroads and how they were part of his grand plan for his theme parks.
