SPECIAL EVENT

A special event has been planned just for Villa residents on Wednesday evening, June 28th. The event will include dinner – which will be served promptly @ 5:00 – followed by entertainment, and other special “things”. Reservations are necessary. The RSVP deadline is Friday, June 19th. Before you ask, no hints or clues will be given. (Surprises are nice once in a while.) The evening will be casual.

Villa residents are invited to join the marketing department and the Healthy Pathways walking group. They usually start walking from the Clubhouse around 9:30 or so if you care to join them.
