LUNCH BUNCH

Reverend Cliff Suehr returns with a presentation this time on his travels to Alaska. He will share a power point of his adventures and bring some souvenirs and momentos. He would like to see some souvenirs from your travels and is asking residents to bring 1 or 2 special things to share with the group.

FYI.....

There will be cars parked in the Clubhouse parking lot on Monday, April 16th through Wednesday, April 18th for a Redstone Trips and Tours adventure to Chicago. We expect that the parking lot will be full. **When visiting the Clubhouse, please feel free to park parallel behind those vehicles during those dates.**
